

Councillor Justin J. Di Ciano

Ward 5 Etobicoke-Lakeshore

May 13th, 2016

To the Falun Dafa Association Canada,

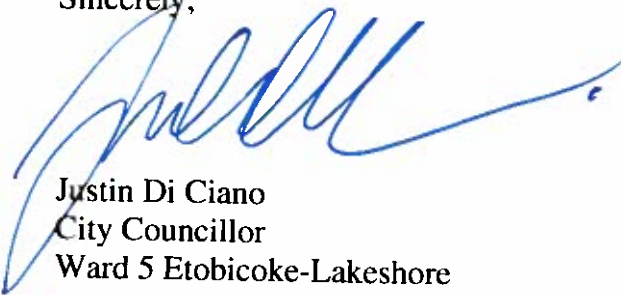

I am pleased to extend my warmest congratulations to you on your anniversary of the introduction of Falun Dafa.

The spiritual practice of Falun Dafa, which combines meditation, qigong exercises and a moral philosophy centred on the tenets of truthfulness, compassion and forbearance, has received worldwide recognition. The practice promotes harmony and helps individuals improve their spiritual, mental, moral, and physical wellbeing through meditative exercises which revolve around these three guiding principles.

As a multicultural city, Toronto and its residents are privileged to enjoy the values of openness and diversity, freedom and understanding. As an elected representative of Toronto City Council and of Ward 5 Etobicoke-Lakeshore, I am honoured to add my endorsement to your efforts, as you endeavour to help advance the values of openness, tolerance and freedom of conscience and religion here in Canada and globally.

I wish you much success as you mark this occasion with festivities and celebrations throughout May to share the goodness and benefits of Falun Dafa with the residents of Toronto.

Sincerely,

Justin Di Ciano
City Councillor
Ward 5 Etobicoke-Lakeshore
