Dear Friends and Guests of Falun Dafa Association Canada:

As the Member of Parliament for Thornhill and Chair of the Parliamentary Friends of Falun Gong, I am very honoured to have this opportunity to extend personal greetings to the members of **Falun Dafa Association Canada** as you celebrate the twenty fourth anniversary of the introduction of Falun Dafa to the public.

I am sure that many attending various celebrations have been touched by teachings of Falun Dafa which promote health and harmony in society through traditional Chinese mind and body self-improvement techniques.

As Canadians, we are privileged to enjoy the liberties contained in the Canadian Charter of Rights and Freedom and proudly promote Canadian values of pluralism and tolerance throughout the world.

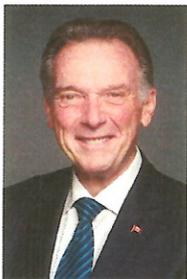

It is my honour to congratulate the leaders of the Falun Dafa Association Canada for being observant and upholding human rights and dignity.

I encourage you to continue the good work and look forward to learning about your success in the activities and programs planned throughout Canada this year.

I am proud to have this opportunity to greet you and trust that the celebration of Falun Dafa brings inspiration and hope to those who are still persecuted.

Truth, Compassion and Tolerance: Zhen, Shan, Ren.
