Shen Yun Performing Arts Tour

On behalf of the Government of Ontario, I would like to extend my warmest welcome to the Shen Yun Performing Arts 2018 Global Tour to Canada, presented by Falun Dafa Association of Canada.

This tour is a wonderful opportunity to celebrate our nation's multiculturalism while showcasing traditional Chinese dance, costumes and music. Diversity is our strength and is at the heart of who we are. We are thankful for the Chinese community and the many contributions you have made, and continue to make, to our province's social, cultural and economic prosperity.

These performances are also an excellent way for people of all ages to gather together and see themes of compassion, courage and hope illustrated through vibrant artistic expression, and promote tolerance and social harmony.

I would like to thank everyone involved in organizing this tour and all of the performers for their hard work and dedication. Please accept my very best wishes for a memorable and successful tour. I wish you continued success for years to come.
