A Message from Elizabeth May, O.C., M.P.

December 2017

As Leader of the Green Party of Canada and Member of Parliament for Saanich-Gulf Islands, I am pleased to extend warmest greetings to the cast, crew and all those attending this evening's performance of Shen Yun.

Shen Yun has been celebrated around the world for its breathtaking representation of 5,000 years of Chinese culture.

The beauty of cultural expression brings all of us together in appreciation of our diversity. We are a nation of many people, and through the expression of art we come together as one.

I want to congratulate the cast and crew on this special event, and wish you continued success throughout the 2018 tour.
