OTTAWA: November 27, 2017

Dear Mr. Shawn (Xun) Li:

I have heard great reviews about the members of the Shen Yun Performing Arts, who will be performing in eight host cities in Canada between December 28 and March 25 and that their performances will reflect and contribute to Canada's cultural diversity while showcasing artistic excellence.

I want to welcome all performers and hope that they enjoy their time in our great country.

Yours truly,

Jim Eglinski, MP
Yellowhead
