On behalf of the Government of Yukon, it is my great honour to extend my congratulations as you celebrate Falun Dafa Month and the 26th anniversary of its introduction to the public.

The commitment of Falun Dafa's followers to the tenets of truthfulness and kindness, as well as the pursuit of improving oneself through the quiet practice of meditation and gentle movements, is admirable. As citizens of a global community, our world is made better when we strive to achieve greater harmony with our neighbours through tolerance, understanding and acceptance.

The continued practice of Falun Dafa in over 100 countries and public celebration in over 80 is a testament to the benefit it brings to those who follow its teachings.

Thank you for your advocacy of a compassionate practice that is inclusive and founded on the pursuit of being better, healthier people and responsible members of society. I wish you all the best in your 26th anniversary celebrations.

Sincerely,
