2018-112

Dear Ms. Pankewich:

As we welcome new citizens from around the world, Saskatchewan continues to grow as a proud multicultural community embracing inclusiveness from all perspectives. As a society, we appreciate values like truthfulness, benevolence and tolerance and recognize those qualities as core principals of Falun Dafa.

Best wishes to all practitioners for Falun Dafa Month 2018.

Sincerely,

A handwritten signature in black ink, appearing to read "Gene Makowsky".

Gene Makowsky
