May 13, 2018

Greetings from the Leader of the Official Opposition

I am delighted to extend my warmest greetings to everyone celebrating the 26th anniversary of the introduction of Falun Dafa to the public.

Through the promotion of the principles of truthfulness, compassion and forbearance, millions of people around the world have benefitted from the teachings of Falun Dafa. I know this practice has a strong following in Canada's peaceful, pluralistic society.

Canada's Conservatives will always stand up for religious minorities facing persecution around the world. Human rights, including the right to practice your religion, will always be a priority for our party.

I am pleased to have this opportunity to commend the Falun Dafa Association of Canada for all the hard work they do in sharing this beneficial practice with Canadians.

On behalf of Canada's Official Opposition, please accept my best wishes for a joyful and memorable celebration.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Andrew Scheer'.
