Dear members of the Falun Dafa Association of Canada,

I am pleased to offer words of appreciation for the Annual Celebration and Performances on the Hill on May 9, 2018. Falun Dafa embodies the importance of mind, body, and spirituality.

Through the promotion of tolerance and compassion, you demonstrate true Canadian values every day. As dedicated members of the human rights community, I extend my thanks for your work on human dignity and peace in China.

While I regret that my schedule does not permit me to attend, I wish you a successful gathering.

Regards,

Hon. Marilou McPhedran
Independent Senator for Manitoba
