Greeting Message from Senator Thanh Hai Ngo to the Falun Dafa Association of Canada

I wish to extend my warmest greetings to Falun Dafa Association of Canada as the Canadian presenter of the 2018–19 season tour of Shen Yun Performing Arts, taking place at the National Arts Centre in Ottawa between December 27, 2018, and March 31, 2019.

As a spectacular and highly anticipated world-class production, Shen Yun showcases the exceptional beauty and artistry of traditional Chinese dance and music. As such, the New-York based production company represents a unique contribution to Canada's diversity and to the richness of our cultural heritage.

I encourage all Canadians to be enchanted and inspired by one of many Shen Yun performances across the country, as it explores the universal themes of compassion, courage and hope.

Thank you once again to the Falun Dafa Association of Canada for bringing us the magic and grandeur of Shen Yun. I wish everyone a most delightful Shen Yun experience!

Sincerely,

The Honourable Thanh Hai Ngo
