Shen Yun Performing Arts

On behalf of the Federal Government of Canada I would like to welcome everyone to this year's Shen Yun Performing Arts festivities.

I am pleased to congratulate the artists and performing arts groups participating in this year's Shen Yun Performing Art Show in Vancouver.

Your show contributes to the diversity of cultures and appreciation of extraordinary talent that Vancouverites value. The exhibition of oriental art is an important thread in Canadian tapestry and is celebrated in households across our nation.

It is my honour to promote your show as it continues to inspire multiculturalism and brings Canadians together.

Best wishes in the upcoming Lunar New Year!

Sincerely,

Randeep S. Sarai,
