La députée de Nickel Belt | MPP for Nickel Belt

May 11, 2020

As Member of Provincial Parliament for Nickel Belt, I would like to extend warm greetings to all celebrating the 28th annual Falun Dafa Day.

On May 13th people around the world will celebrate the universal principles of truthfulness, compassion and forbearance which Falun Dafa promotes. As the health critic for my party, the NDP, I know the benefits of feeling part of a community. Thank you Falun Dafa for bringing together people in my community. Thank you for your work in promoting exercises and meditation to my constituents; a healthy community is a happy community.

I wish practitioners across the world a happy and prosperous Falun Dafa Day. I thank you for respecting public health guidelines of social distancing and going mainly on-line.

Sincerely,

France Gélinas
MPP for Nickel Belt
