May 13, 2021

As the Member of Provincial Parliament for Nickel Belt and the NDP's Health Critic, I am pleased to extend my warmest greetings to everyone celebrating the 29th annual Falun Dafa Day.

People all around the world will be celebrating the universal principles of Truthfulness, Compassion and Forbearance, values of the Falun Dafa community. Thank you for your work in promoting exercises and meditation to my constituents here in Nickel Belt. Falun Dafa brings people together, provides a sense of community, thereby contributing to healthy communities.

I wish practitioners across the world a happy and prosperous Falun Dafa Day. Also, thank you again this year for respecting public health guidelines and organizing your celebrations virtually to keep everyone safe.

Sincerely,

France Gélinas
