CALGARY  
March 7, 2022

To many fans of Shen Yun:

I am pleased to welcome Shen Yun Performing Arts to Calgary. I want to extend a warm greeting to all visitors, performers and support personnel. Welcome to Calgary and I hope you enjoy your stay!

Shen Yun Performing Arts is influenced by 5,000 years of traditional Chinese culture and contributes to Canada's diversity. Shen Yun includes important themes such as compassion, courage, and hope. The audience can expect to see beautiful costumes, backdrops and striking choreography. In fact, Shen Yun means the beauty of divine beings dancing.

Shen Yun promises to uplift and inspire the audience. As we emerge from the pandemic, this optimism is more important than ever.

To all involved in bringing this spectacle to Calgary audiences, thank you for presenting Shen Yun Performing Arts. I send my best wishes to the performers, support personnel, and audience.

Sincerely,

A handwritten signature in blue ink that reads "Greg McLean". The signature is fluid and cursive, with the first name "Greg" being more prominent than the last name "McLean".
