Falun Dafa Association of Canada

On behalf of the residents of Pickering-Uxbridge, I would like to thank the Falun Dafa Association on Canada for their contribution to a proudly diverse Ontario.

I am pleased to extend my greetings to all those attending a showing of Shen Yun Performing Arts.

Traditional dance and music, such as this, provide a unique opportunity for Ontarians of all backgrounds to gain more knowledge and appreciation of Chinese culture.

Ontario's diversity is one of our greatest assets and Chinese art continues to play an important role in our pluralistic society, which has made our province one of the best to live in Canada.

I offer my best wishes for a successful and enjoyable evening.
