Dear Falun Dafa Association Hamilton,

I am pleased to extend my greetings to the performers and everyone attending the performances by *Shen Yun Performing Arts*. After an almost two-year lockdown break, *Shen Yun* is bringing this extraordinary cultural event and display of athleticism back to Canada for the 2022 season.

Across Canada, nine cities will be hosting *Shen Yun* events, bringing traditional Chinese culture and inspiring dances to thousands of people across the country. The valuable contributions of multicultural communities and organizations like *Shen Yun* add to the rich artistic diversity of our country.

Here, in Hamilton, we are fortunate to host *Shen Yun Performing Arts* for two nights of extraordinary educational performances in March. *Shen Yun* has captivated international audiences for years, so I am excited to welcome the production to Hamilton!

We are proud of Canada's cultural diversity. Through the *Shen Yun* performances, spectators will be able to encounter treasured Chinese culture and heritage that has long been lost. Inspired by 5,000 years of Chinese cultural history, *Shen Yun* gives Canadian viewers from all backgrounds the opportunity to experience the sounds and colours of Chinese artistry.

Please accept my heartfelt greetings to all viewers and congratulations to *Shen Yun Performing Arts* on this exciting upcoming season!

Sincerely,

Monique Taylor
