**Re: Requesting Greetings/Invitation to Shen Yun Performing Arts on its 2022 Canada Tour**

To the Falun Dafa Association,

It is with great pleasure that I write this letter to honour the Shen Yun Performing Arts, which is an incredible showcase of dance inspired by 5,000 years of traditional Chinese culture.

I am always grateful in showing my support to the Falun Dafa Association and this extravagant production. It was saddening to hear that we were unable to experience this event after two years of being in a global pandemic. But, it is during this time now where we need the passion and inspiration of the Shen Yun performance to uplift us through all the challenges we've experienced.

I thank the entire team for their hard work and dedication for hosting such a praiseworthy performance each and every year. Shen Yun, standing for "the beauty of the divine beings dancing", is truly a testament to the powerful messaging it offers, while appreciating the diverse nature that Canada embodies. We hope that those who have an opportunity to attend will find this as a gratifying moment, and will surely be a moment to remember!

I wish to extend my congratulations to the Falun Dafa Association and I am excited to welcome the world-class Shen Yun Performing Arts Tour on its return to Toronto on Friday April 1st, 2022.

Sincerely,

**Councillor Kristyn Wong-Tam**
