April 2022

Dear Torontonians and visitors,

It is an honour to welcome you to the Toronto presentation of Shen Yun!

Across our city and in our neighbourhoods, we are privileged to be able to fully enjoy the values of a society modeled on openness and freedom. We recognize the importance of the same principles of Falun Dafa; truthfulness, compassion and tolerance.

Canada has played host to this global event for years, and Shen Yun has been enjoyed by millions of spectators. As in previous years, we are proud to have the opportunity to feature their talent in Toronto; one of nine cities in Canada to play host for this remarkable experience.

I would like to sincerely thank the performers, the organizing team and all of the volunteers involved in creating this spectacular performance under less than ideal conditions.

Welcome back to live performances, Toronto!

Respectfully,

Brad Bradford
