Dear Friends,

On behalf of the City of Mississauga and Ward 6 residents, I am delighted to extend warm greetings and congratulations to the Falun Dafa Association of Canada as you celebrate your monumental 30th Anniversary.

It is commendable that the Falun Dafa Association of Canada has put in hard work and dedication for the past 30 years in promoting freedom, diversity and compassionate support in our communities. We look forward to this year's celebration as your organization will be highlighting the diversity of our community and encouraging practices that improve mental, moral and physical wellbeing. Events such as this one are excellent ways of bringing the community together.

Congratulations and best wishes for a successful event. Our community continues to thrive and diversify because of the ongoing support and care that is brought forth by organizations such as yours.

Sincerely,

Ron Starr, P.Eng.

Councillor Ward 6
