To the Falun Dafa Association Canada,

As Hamilton City Councillor for Ward 15 Waterdown/Flamborough, it is my pleasure to congratulate all who are celebrating the 30th anniversary of Falun Dafa Day this year on May 13, 2022. Harmony and peace is key in all communities, especially when coming together to overcome challenges – this has been very important during the pandemic and I thank you for encouraging mental, moral, and physical wellbeing. I am pleased to support your honourable values of Truthfulness, Compassion and Forbearance in promotion of positivity and good health across Canada.

I wish all the best for the 30th anniversary and celebration of Falun Dafa Day. I look forward to seeing the benefits of Falun Dafa on our communities into the future. Thank you for your continued commitment to peaceful living for all.

Kind Regards,

Councillor Judi Partridge
