Re: Falun Dafa Day

Dear Members of the Falun Gong community,

I want to take this opportunity to welcome you to Falun Dafa Day celebrations. This day recognizes and celebrates the teachings of truthfulness, compassion, and forbearance that the Falun Gong community so wonderfully cultivates, studies, and practices.

I appreciate how those who practice Falun Dafa strive to continuously cultivate harmony through their practices and community involvement. The wish to live in symbiosis with the universe while promoting inner peace is a noble one. I commend the resilience and determination of your community reflected over the years, and I am glad to see the wider Canadian community joining with you this year in recognizing that.

Falun Dafa has provided many meaningful and positive contributions to their community and many around the world who have adopted its teachings, and I'm happy to wish you the best on this day of celebration.

Sincerely,

Mark Gerretsen, M.P.
