**LETTER OF APPRECIATION
FALUN DAFU ASSOCIATION**

As the Falun Dafa community is celebrating its 30th Anniversary this year, it is my great honour to offer my personal congratulations and appreciation to its members for the important work they have been doing over the past three decades in promoting human rights, peace, and respect for religious minorities around the world.

The three pillars of the Falun Dafa movement, Compassion, Truthfulness, and Forbearance, represent a set of universal principles that are indispensable in making our country, and the world, a better place.

The members of Falun Dafa have been also instrumental in raising awareness about grave human rights violations and the plight of religious minorities under authoritarian regimes.

The Province of Ontario is privileged to have such a large Falun Dafa community, which is dedicated in continuing their important advocacy work and which serves as an inspiration to all of us.
