Re: Shen Yun Performing Arts

To Whom it May Concern:

On behalf of the residents of Calgary Forest Lawn, I offer greetings and my congratulations on the return of your breathtaking show to Canadian stages, particularly here in Calgary.

I am sure that Calgarians are delighted to see that Shen Yun return to the stage. Shen Yun is renowned for presenting ancient Chinese music and culture to the world outside of China. The revival of what might otherwise be a lost culture is incredibly important to maintain.

As an incredibly diverse city, I am sure that Calgarians will truly appreciate the artistry that you present.

I wish you the best of this tour and in the future.

Sincerely,

Jasraj Singh Hallan, M.P.
