Once more, I am delighted to welcome back, on behalf of the community members of Toronto's Ward 12, the Shen Yun Performing Arts performance on their return to Toronto for their 2023 season. This extraordinary classical Chinese dance production is inspired by thousands of years of Chinese tradition and culture. Shen Yun is a reflection of our city's cultural diversity while simultaneously echoing universal values such as courage and compassion; it is an uplifting message of hope and inspiration to all.

I truly wish Shen Yun all the best in their approaching season.

Sincerely,
