would like to extend heartfelt congratulations to*

Falun Dafa Association of Canada

on Shen Yun Performing Arts 2023 Toronto tour

As a city proud of its multiculturalism, each and every organization plays a part in enhancing Toronto's social and cultural landscape. Performance like this plays an integral role in making Toronto a vibrant and welcoming city where everyone is welcome.

As you enjoy this special presentation, I would like to commend the organizers for their dedication and resilience in sharing and celebrating the rich and vibrant Chinese culture and traditions with residents across the city.

I extend my best wishes for a successful year.
