DR. COLIN CARRIE
Member of Parliament
OSHAWA

Greetings from Colin Carrie, MP – Oshawa.

It is my pleasure to welcome back Shen Yun to Canada for the 2023 World Tour.

For over a decade Canadians have been treated their most wonderful performances. The beautiful display of dance with the most talented ensemble brings joy to all who have the privilege to witness.

With so many people in our world unable to openly express themselves; whether it be politically or spiritually, Shen Yun has shown that open expression can and must live on.

Thank you to the Falun Dafa Association of Canada for bringing Shen Yun to Canada and for fighting the ghastly oppression and torture of Falun Gong in China.

In closing I wish to extend my appreciation and best wishes for a most wonderful tour which may once again bring joy to all.

Dr. Colin Carrie MP
