Dear the Falun Dafa Association of Toronto,

On behalf of the residents of Mississauga-Lakeshore, I am pleased to extend my warm greetings for the return of the world-class event of the 2023 season of Shen Yun.

Thank you to the Falun Dafa Association of Toronto for your invitation to the Shen Yun performance. Your efforts to celebrate and honour the spiritual practice of Falun Gong, as well as your hard work to build a strong and vibrant Chinese community in the Greater Toronto Area, do not go unnoticed.

The performance of Shen Yun is an excellent educational opportunity to learn about the richness of ancient Chinese wisdom, steeped in Buddhist and Taoist spirituality and values. The universal themes of compassion, courage, and hope resonates with all Ontarians, providing inspiration to all.

As you gather with family, friends, and neighbours to share in beautiful, extravagant performance of Shen Yun, I thank you again for allowing me to join the experience.
