Falun Dafa Association of Winnipeg

On this occasion of your 31st anniversary, it is a privilege to once again send congratulations to the Falun Dafa Association of Canada.

Manitoba has always shown its strength through the diversity and tolerance of its people, a tradition that Falun Dafa shares.

Truthfulness, forbearance and compassion, which are at the heart of not only Falun Dafa, but also at the heart of every community, make a solid and valuable foundation for Manitoba to grow and thrive.

I am pleased that we are so very blessed to live in a country and a province where we can enjoy the values of openness, religious freedom, and freedom of conscience.

I wish you great success in 2023 and for your 31st Anniversary.

Regards,

Ron R. Schuler, MLA
