

MAYOR'S MESSAGE

On behalf of Fredericton City Council, I wish to recognize and celebrate Falun Dafa Day.

Originating from China more than 30 years ago, Falun Dafa communities have flourished peacefully across our country, creating a more unified and harmonious society. Now, more than ever, Falun Dafa's message of truthfulness, forbearance, and compassion are an example to all of us. At the City of Fredericton, we are committed to promoting and protecting human rights, including the freedom of belief and religion.

I would like to extend a big thank you to the Falun Dafa community in Fredericton and across Canada, for their dedication to promoting a better world for us all. Thank you for your continuous efforts to encouraging tolerance, kindness and for calling Canada home.

Today, in honour of Falun Dafa Day, we celebrate freedom, diversity, and love. It's important we all commit to these values not only today, but for future generations to come. As the Falun Dafa Association of Canada marks this special occasion, the City of Fredericton sends our warmest regards.
