

## A PERSONAL MESSAGE FROM **RUDY CUZZETTO, MPP** **MISSISSAUGA-LAKESHORE**

### Celebrating the 32<sup>nd</sup> Falun Dafa Day

Dear friends,

On behalf of the residents of Mississauga-Lakeshore, it is my pleasure to extend best wishes and greetings to the Falun Dafa community.

The principles of “truthfulness, compassion, and forbearance” are welcomed and valued in our province. In celebration of the 32<sup>nd</sup> anniversary of Falun Dafa’s public introduction, we spread kindness to one another and foster a more harmonious world.

The Falun Dafa Association of Canada is much appreciated for its dedication to showcasing years of Chinese tradition and history, as well as for its colorful and rich presentation of Chinese culture.

I'd like to wish the Chinese community a Happy Year of the Dragon and all the best for the upcoming years as you come together with loved ones, neighbors, and friends to celebrate Chinese culture.
