MAYOR JOHN HENRY

May 13, 2018

Message from Mayor John Henry

On behalf of Members of Council and the residents of Oshawa, I am pleased to provide greetings in recognition of the 26th Anniversary of the introduction of Falun Dafa to the public.

I am proud to live in a community that accepts and celebrates our religious and cultural diversities. Falun Dafa promotes harmony and health in society through its traditional Chinese self-improvement system. The practice helps people to improve their spiritual, mental, moral, and physical wellbeing through meditative exercises and the guiding principles of truthfulness, benevolence, and forbearance.

The City of Oshawa is home to many events that foster understanding and harmony through mutual respect. We recognize and appreciate the traditions and culture of our Chinese community and value contributions that positively support our community.

We hope Falun Dafa offers you time to improve your well-being and this celebration allows you to create or rekindle many positive friendships in your community.

Yours truly,

John Henry
Mayor
