Friends,

As the Chair of the Falun Gong Falun Dafa Parliamentary Friendship Group I am pleased to add my name to the list of those supporting you as you celebrate the 27th anniversary of the introduction of Falun Dafa. 2019 is a historic milestone and, as peaceful practitioners in more than 100 nations mark the occasion, I am honoured to add my endorsement to your efforts, as you strive to help advance the values of openness, tolerance and freedom of conscience and religion here in Canada and globally.

In Canada, Falun Dafa practitioners have the right and ability to practice their faith and rituals in peace and security. Unfortunately, this is not the case everywhere and, as we celebrate the 27th anniversary of the introduction of Falun Dafa to the public, we must also renew our commitment to advancing these rights at the national table of every nation on Earth. Sadly, too many non-violent and devout practitioners live in darkness and under the constant threat of persecution and even death. As Canadians, we must do our part to help bring about the changes needed to right these terrible wrongs.

Today as we raise our voices in a united call for openness, tolerance and freedom of conscience and religion, please know there are those of us within the Liberal Party, who stand with you as friends

Sincerely,

  
Hon. Judy A. Sgro, Privy Council, MP  
Humber River – Black Creek
