Greeting Message from Senator Thanh Hai Ngo to the Falun Dafa Association Canada

I wish to extend my warmest greetings to the Falun Dafa Association Canada on the occasion of their 27th Anniversary Celebration of Falun Dafa Day, taking place on Parliament Hill, in Ottawa, Ontario, on Monday, May 13, 2019.

Guided by the principles of truthfulness, compassion, and tolerance, Falun Dafa is an ancient practice that transcends barriers and embraces people from all walks of life. In promoting peace and harmony, the teachings of Falun Dafa helps people around the world improve their spiritual and physical wellbeing.

In Canada, we are privileged to embrace the values of openness, diversity, and freedom of belief. In this spirit, Falun Dafa Day welcomes participants to learn about the benefits and tradition of Falun Dafa, all while sharing in the aspiration to promote these values in the world around us.

I am honoured to lend my support to the Falun Dafa Association Canada in organizing this annual celebration and in their broader mission to promote peace, tolerance, and human dignity for all.

I wish everyone a wonderful Falun Dafa Day on the Hill!

Sincerely,

The Honourable Senator Thanh Hai Ngo
