

# Suze Morrison

MPP TORONTO CENTRE

April 29<sup>th</sup>, 2019.

I am pleased to extend greetings to the Falun Dafa community as they celebrate their 27th anniversary. Their guiding principles of truthfulness, compassion, and tolerance are ideals that strengthen communities of all belief systems. I am pleased that in Ontario they are free to practice their beliefs and share them with their fellow Ontarians.

Suze Morrison  
Member of Provincial Parliament  
Toronto Centre
