Best Wishes from Ward 5 Councillor Andrew Keyes

I am very pleased to offer my congratulations on the 28th Anniversary of Falun Dafa introduction to the public.

I commend your organization's promotion of harmony, tolerance and compassion in society. Since its introduction to the public in 1992, it has been recognized and celebrated for its efforts. It is estimated that more than 100 million people have benefitted from practicing Falun Dafa.

The City of Markham is the most diverse city in Canada and our community thrives on peace, harmony, tolerance and understanding. Falun Dafa's promotion of truthfulness, compassion and forbearance helps spread these important attributes in our society and our communities.

Please accept my sincere best wishes to all practitioners, supporters, families and friends of Falun Dafa, wishing you all a month of joyous, memorable celebrations especially at this time during the pandemic when we need community and compassion. At times like this we are reminded of how important these values and principles can be to us all.

Sincerely,
