As the Member of Parliament for Portage-Lisgar and Conservative House Leader, I would like to extend my warmest greetings on this, the 28<sup>th</sup> year since Falun Dafa's introduction.

Falun Dafa values truthfulness, harmony, compassion and tolerance. These values enrich our world, especially during these unprecedented times.

While celebrations to mark this occasion will be different this year, I know that Falun Dafa's importance and value will certainly be highlighted and celebrated.

On behalf of all residents of Portage-Lisgar, I hope that your celebrations are filled with peace and joy, as you mark this very special occasion.

Sincerely,

*Candice Bergen*
