Falun Dafa Day 2020

Greetings friends,

I am delighted to extend my warmest greetings to everyone celebrating the 28th anniversary of the introduction of Falun Dafa to the public.

For 28 years, Falun Dafa practitioners around the world are making dedicated efforts in promoting the universal values of Truthfulness, Compassion and Forbearance. The thriving Falun Dafa community in Canada has made the country a better place for practicing religious freedom and traditions. I stand by you with great respect to protect your right to practice what you believe. Due the pandemic of the Corona Virus, the world, esp China should embrace more of these important principles, be more Truthful, compassionate and forbearing!

On behalf of the people of Stormont—Dundas—South Glengarry, I thank you sincerely for your contributions to the harmony and peace in our diverse nation. I wish all followers of Falun Dafa continued spiritual growth and good health.

Sincerely,

Eric Duncan, Member of Parliament
Stormont-Dundas-South Glengarry
