May 5, 2020

I wish to extend congratulations to the Falun Dafa community on the 28th Anniversary of Falun Dafa Day, May 13, 2020.

From all levels of government, practitioners of Falun Dafa are widely recognized by Canada's leaders for the promotion of harmony, tolerance and compassion. The benefits of Falun Dafa are known for a person's spiritual and physical health.

Across Canada, we recognize and celebrate the diversity of its citizens and their ability to practice a religion safely and respectfully.

I extend my warmest greetings on the 28th Anniversary of Falun Dafa Day to members of Falun Dafa across Canada and in Barrie-Innisfil.

Sincerely,

John Brassard
