MPP TORONTO CENTRE

April 24, 2020

I am pleased to extend greetings to the Falun Dafa community as they celebrate their 28th anniversary.

Falun Dafa's guiding principles of truthfulness, compassion, and tolerance are ideals that strengthen communities of all belief systems. I am pleased that in Ontario you are free to practice your beliefs and share them with your fellow Ontarians.

I'm sure that, as members of the Falun Dafa community, you wish that you could all be physically together to celebrate this anniversary. It is, however, commendable that you are celebrating while practicing physical distancing at this time. Thank you all for doing what you can to protect our most vulnerable community members. I hope that you are able to connect with your loved ones to celebrate remotely.

Happy anniversary,
