Re: 28th Anniversary of Falun Dafa Day

Falun Dafa Association of Canada,

On behalf of the people of Saskatoon-Grasswood, I want to extend my warmest greetings to the Falun Dafa Association of Canada in celebration of the 28th anniversary of Falun Dafa Day.

Falun Dafa's principles of truthfulness, compassion, and forbearance have benefitted millions of people around the world through its promotion of tolerance and harmony, values that all can aspire to.

I wish all those celebrating a peaceful and enlightening Falun Dafa Day.

Sincerely,

Kevin Waugh, M.P.
