Re: Falun Dafa Day – May 13, 2020

To the Falun Dafa Association of Canada,

As the Member of Parliament for Dufferin-Caledon, I would like to warmly congratulate the Falun Dafa Association of Toronto on the 28th anniversary of Falun Dafa Day. This is an immensely special day for Canadians who follow this ancient spiritual practice, founded on the principles of truthfulness, compassion, and tolerance. These are values proudly shared by all Canadians and enshrined in our democratic institutions.

This particular Falun Dafa Day is especially significant for the Falun Dafa community, as Canada continues to face the challenge of the COVID-19 pandemic, strong and united. The health crisis has reminded us of the importance of Falun Dafa's guiding principles and how they continue to endure after 28 years, despite considerable adversity.

Please accept my best wishes, as your Association joins millions to celebrate and reflect on the positive impact Falun Dafa continues to have here in Canada and around the world.

Sincerely,

Kyle Seeback, M.P.
