It gives me great pleasure to extend a warm greeting and sincere congratulations to the Falun Dafa community, recognizing Falun Dafa Day on its 29th Anniversary.

The connection between mind and body is key for a healthy immune system and combating illness and stress. Your commitment in helping people improve their mental, moral and physical wellbeing, is truly commendable, especially during these challenging times.

Thank you, for your continued dedication and contribution to a more healthy and harmonious society.

I wish you many more years of continued success.

Sincerely,

*Sam Merulla, Councillor
