Falun Dafa Greeting 2021

Falun Gong shares many similar values with my own Christian faith: truthfulness, benevolence, forbearance, and living in peace with one another.

These are not only the hallmarks of our two diverse belief systems but also the bedrock values of a truly free and democratic society.

We also share the pain of our brothers and sisters who are relentlessly persecuted by China's brutal communist regime.

By upholding and celebrating the truly Canadian values of religious freedom, freedom of speech, freedom of association and assembly, we can be a voice for those who have no voice, as we call and pray for change.
