To the Falun Dafa Association Canada,

As Hamilton City Councillor for Ward 15 Waterdown/Flamborough, it is my pleasure to congratulate all who are celebrating Falun Dafa Day this year on May 13, 2021. Harmony and peace is key in all communities, especially when coming together to overcome difficulties – this is relevant now more than ever with the hardships faced through COVID-19. I am pleased to support your honourable values of Truthfulness, Compassion and Forbearance in promotion of positivity and good health across Canada.

While celebrating 29 years of sharing your beautiful practices with the world will look different this year, I look forward to seeing the benefits of Falun Dafa on our communities into the future. Thank you for your continued commitment to peaceful living for all.

Kind Regards,
