SHEN YUN PERFORMING ARTS
NOVEMBER 5 -6, 2021

On behalf of the City of Norfolk, I am excited to welcome Shen Yun to Norfolk for its 10th season at Chrysler Hall. Shen Yun Performing Arts is a world-class dance and music company established in 2006 by a group of Chinese artists featuring the world's foremost classically trained dancers, a unique orchestra blending the sounds of East and West, and dazzling animated backdrops. This musical and dance performance weaves a tapestry of ancient legends, modern heroic tales and divine realms that has uplifted and inspired viewers with their stunning beauty and tremendous energy.

Shen Yun is a magical journey through China's 5,000 years of civilization reflecting on the universal virtues of truthfulness, compassion, tolerance, and hope with classical Chinese dance, music, stories, and legends. Its purpose is to revive the world of traditional Chinese culture and share it with millions of diverse audiences around the world. This phenomenal performance is a wonderful opportunity for our community to experience and learn about a culture that was once almost lost.

Welcome to the show! Let Shen Yun take you on a journey of magnificent kingdoms, thought-provoking dances, imperial palaces, myths, and legends.

Sincerely,

Kenneth Cooper Alexander, Ph.D.
