It is with great pleasure that I welcome Shen Yun Performing Arts back to Canada. For 15 years they have performed some of the most high-energy and dazzling shows that are not just entertaining, but educational, exposing us to long silenced parts of Chinese culture.

It is with the utmost sincerity that I thank the past, present, and future members of Shen Yen Performing Arts for the sacrifices, persecution, and persistence they have endured so that they may share their culture and history with the world.

I hope that everyone viewing tonight has a wonderful time as they experience this spectacularly unique performance. I know that it will be unforgettable.
