Regina – Qu'Appelle

Dear Friends,

I am delighted to extend my warmest personal greetings to all those attending performances by Shen Yun Performing Arts.

I was pleased to learn of this world-renowned classical Chinese dance and music company's return to Canada for their 2022 Season. Shen Yun Performing Arts has captivated international audiences with a remarkable show of athleticism, artistry and grace. Inspired by millennia-old Chinese culture, these performances have introduced thousands to lost traditions that honour timeless virtues. I know that you will find an appreciative audience in Canada.

On behalf of my colleagues in Canada's Official Opposition, I commend the organizers and sponsors for bringing this magnificent show to Canada. Please accept my best wishes for memorable performances.

Sincerely,

Andrew Scheer, MP
