Re: Greetings to Shen Yun Performing Arts

As the Member of Parliament for Lethbridge, allow me to extend my sincere greetings and convey a warm welcome to Alberta for your 2022 tour.

The return to normal life after two years of disruptions and uncertainty is something that can truly be celebrated by all. It is wonderful to hear that Shen Yun, the classical Chinese dance production, will be returning to Alberta for the 2022 season.

Using magnificent artistry, your lively performance wonderfully showcases thousands of years of traditional Chinese culture and promotes compassion, courage, and hope. The audience is left feeling inspired and empowered. I know many Albertans will be impacted by this beautiful display of art and culture.

Once again, welcome to Alberta and please accept my very best as you return to live performances this year.

Sincerely,

Rachael Thomas
Member of Parliament for Lethbridge
