

THE LIEUTENANT GOVERNOR OF ONTARIO  
LA LIEUTENANTE-GOUVERNEURE DE L'ONTARIO

May 13, 2022

Amid these rapidly changing times, it gives me special pleasure to congratulate the Falun Dafa Association of Canada as it celebrates 30 remarkable years of friendship and togetherness and to recognize Falun Dafa Day, here in Ontario.

Communities rooted in spirituality have played an important role in building the social fabric of our province. Many of the values that we cherish today —compassion, generosity, and justice— are anchored in spiritual traditions. Inherent among those who practice is the courage to continuously seek positive transformation in one's own life and society.

I thank all who have devoted themselves over the years to being a part of the Falun Dafa community, and I convey my best wishes for a successful future of continued service to others. I look forward to what you will contribute in the years ahead.

A handwritten signature in blue ink that reads "Elizabeth Dowdeswell".
