Falun Dafa Association of Canada

**RE: 30th Anniversary-Falun Dafa Day**

To Whom it May Concern,

On behalf of the citizens of Muskoka Lakes, I commend you for promoting peace in the world, especially through your teachings on the universal human values of truthfulness, compassion and forbearance.

Falun Dafa communities have endured, preserved and flourished peacefully, and Canadian Falun Gong practitioners have built communities here and call Canada home. I would like to thank members of the Falun Dafa community in Canada for contributing to a more harmonious society and sharing your meditation practices to help others manage the additional stress caused by the challenges of the past year.

As Mayor, I am pleased to help affirm Canada's commitment to the values of truthfulness, compassion, and forbearance, and inclusiveness, freedom of conscience.

Sincerely,

Phil Harding,  
Mayor, Township of Muskoka Lakes
